WebFiles™ makes it easy to securely share your business documents.

Overview

WebFiles™ is an online file sharing and distribution solution that lets you securely share your files (documents, spreadsheets, PDFs, PowerPoints, etc.) with your partners, colleagues, vendors, suppliers, dealers, prospects, and customers.

Benefits

WebFiles™ is incredibly easy to use and there's nothing to install. Features and benefits include:

- unlimited number of users and files
- secure, password-protected access
- users always have access to the latest versions of your files
- upload new versions in seconds
- track user logins and downloads

WebFiles™ pricing

| # of Groups | Monthly cost |
|-------------|--------------|
| 1 | \$9.95 |
| 3 | \$19.95 |
| 5 | \$29.95 |
| 10 | \$49.95 |
| 20 | \$79.95 |

WebFiles™ is the online file sharing and distribution solution that will help you define and organize your business. Easier to use than email, WebFiles™ lets you post your files online and then control exactly who has access to what.

With WebFiles™, there is

- no software to install
- no long term contract to sign

And WebFiles™ is secure - hosted on world-class servers and protected by the same encryption technology used by online banking and e-commerce sites.

How WebFiles™ works

Sign up in under a minute, add users and files, then put them into Groups. When a user logs in, she will see and be able to download only files you gave her access to. You control who sees what.
